

FINE CONCERT BY ORCHESTRA TRIO

Give Excellent Program of Chamber Music Sunday in Ardmore

CONTRALTO PLEASURES

A chamber music concert, on a high plane of musical artistry, was offered to Main Line music lovers Sunday afternoon at the Ardmore Theatre.

The French-Cook-Vogel Trio, composed of three members of the faculty of the Main Line School of Music, appeared under the auspices of the Main Line Orchestra Association.

The members of the trio are Rosetta Samuel French, pianist; Frederick Cook, violinist, and Adolph Vogel, cellist. They were assisted by Kathryn Noll, contralto. Both Mr. Cook and Mr. Vogel are former members of the Philadelphia Orchestra.

The Gade Trio in F-Major opened the concert. Three shorter pieces formed the second part. They were: "Londonderry Air," with the Kreisler arrangement; "Abendlied," of Schumann, and "Gopak," of Mousorgsky. These numbers, differing greatly in type, were each played with feeling and mastery of the trio arrangement.

Miss Noll sang three numbers with a clear and rich contralto voice. They were: "The Time for Making Songs Has Come," by Rogers; "Possession," by Sharp, and "Oh, That It Were So!" by Bridge. As an encore "My Love Is a Weaver," by Hildach, was sung.

The concluding number of the concert, the famous Trio in D-Minor, of Arensky, formed a most fitting climax. Played throughout with spirit and great purity of tone, the vigorous passages and pleasing harmonies were brought out well. As an encore the trio gave the sprightly, pizzicato "Guitar Player," of Schytte.

MAIN LINE CHORAL TO PRESENT RECITAL

Postponed Concert to Be Held at Woman's Club Early in May.

JOIN SESQUI CHORUS

The plans of the Main Line Choral for an early April concert were disrupted through the widespread epidemic of measles and other illnesses which played havoc along the Main Line recently; but the return to better conditions now makes possible the announcement of a concert to be given on Tuesday evening, May 11, at the Woman's Club, in Ardmore.

This announcement will be of particular interest to the supporters of the choral and to all those who are interested in the development of good music, since the organization, under the direction of William P. Bentz, organist and choir-master of the Presbyterian Church, Ardmore, is the leading proponent in suburban districts of good chorus singing. Its numbers are for the most part given without accompaniment, which calls for the utmost fidelity to pitch and the conductor's baton.

Local Body to Participate in Sesqui

As was previously stated, the Main Line Choral is one of several organizations in the suburbs of Philadelphia which will participate in the musical activities during the sesqui and for this undertaking its membership is now open to all residents of the Main Line, who are not enrolled among the active members of the choral. It has been announced that all those desirous of joining the choral in the sesqui work should promptly communicate with the secretary, Miss Mary Campbell, 234 East Montgomery avenue, Ardmore.

Further details of the May concert will be announced later.

ONE FIRE

The local fire company was given a rest last week. Only one alarm sounded up to Thursday night. The one call was from Narberth station at 7:40 A. M. Monday, where a blaze had started in the car of Horace P. Moore.

Quick work with the chemicals kept the loss to less than \$100.

PLAYED WITH TRIO

Adolph Vogel, cellist of the French-Cook-Vogel trio, which gave a program of Chamber Music in Ardmore, Sunday. Mr. Vogel, a Narberth resident, is director of the Main Line School of Music, leader of the Main Line Orchestra and of the U. of P. Instrumental Club.

COUNCIL VOTES TO OPPOSE CHANGE IN BUS LINES

Passes Resolution Against Wynnewood Avenue Route.

At its regular meeting Monday night, Council adopted a resolution opposing the plan of the Philadelphia Suburban Transit Company to split its line into two routes, a new one being formed to make a quick run up the Main Line via Wynnewood avenue, Narberth.

Council had two petitions on the subject. One was from residents of the south side who want the bus line granted, and another from residents along Wynnewood avenue who are very much opposed to the plan.

One of the chief objections, both of Council and of the Wynnewood avenue residents, is due to the narrowness of the road. From the railroad to Montgomery avenue it is a narrow, high-crowned thoroughfare. Bus traffic, it is feared, would not only make travel difficult for other vehicles, but would quickly wreck the road resulting in costly repairs and continued sky-rocketing taxes.

The resolution adopted reads:

Whereas, The Public Service Commission now has before it a petition from the Philadelphia-Suburban Transit Company, seeking permission to operate a bus line along the southwestern and western boundaries of the borough of Narberth (on Wynnewood avenue and on Wynnewood road), and

Whereas, the Narberth residents on these streets are opposed to such bus operations there because Wynnewood road, in a considerable part, has a high-crowned cart-way, only 19 feet wide, which would be obstructed by busses; because of the noise and menace to children; and because they fear impairment of their property values, owing to the fact that these streets have always been strictly residential, and

Whereas, this proposed bus line, because of its route, can serve the convenience of but a few residents of Narberth, and would in effect be using streets of the borough as a thoroughfare, without any resulting benefits of public convenience or financial compensation, and

Whereas, experience with the bus lines now running into the borough indicates that the streets so used require much more frequent and more expensive repairs, entailing a burden upon borough treasury, greatly exceeding any direct financial return, and

Whereas, it is evident that the existing bus line adequately serves the public convenience of a majority of Narberth people, who desire to travel by that means, either eastward or westward, to the same points indicated by the Philadelphia-Suburban Transit Company for the proposed line on Wynnewood avenue and on Wynnewood road;

Therefore, be it, and it is hereby resolved by the Council of the borough of Narberth, in regular meeting assembled on this 12th day of April, 1926, that the proposed bus line for Wynnewood avenue and Wynnewood road is contrary to the public and corporate interests of the borough of Narberth; that the Public Service Commission is hereby respectfully requested to deny the aforesaid petition insofar as the route along the southwestern and western boundaries of the borough of Narberth is concerned; and that the burgess, and the borough solicitor are hereby authorized and instructed, either or both, to present this resolution in person to the Public Service Commission and to represent the Borough Council in reference thereto.

MEASLES STOPPED

The measles epidemic seems to be finished. No new cases have been reported for several days and the number of children in quarantine is rapidly diminishing.

This is your paper and your advice is appreciated.

PRACTICAL AND IDEAL COMBINED

Three Speakers at Women's Meeting Choose Varied Topics.

OTHER NOTES OF CULBS

The Women's Community Club held another of those unusually interesting meetings on Tuesday, April 13. Mrs. George N. Gill told of her success in transforming a bed room set that was "neither antique nor modern" into a thoroughly satisfactory modern reproduction of an antique. If sounds of saw and hammer are heard in the homes of Narberth, it will be plain that Mrs. Gill's heaven is at work.

Mrs. Percy J. Fell, of Norristown, described with contagious enthusiasm the glories of the great palace and gardens of Versailles. It was a sluggish imagination, indeed, that could not picture the vistas among the giant trees, the gleam of statuary reflected in mirror-pools, the rainbow spray of elaborate fountains, and the brilliant flowers in their formal beds. Mrs. Fell dwelt most lovingly on the Petit Trianon, the one happy place in the life of the unfortunate Marie Antoinette.

Mr. Frank W. Baker, of the Michell Seed Co., brought us back to earth with some very practical advice on the spring care of garden and grounds. Some of his suggestions may not come amiss here. First, rake, fertilize, reseed, and roll lawns now. Second, uncover perennial beds and order new plants, if needed, at once. The supply is short this year. Third, prune roses severely now. Fourth, plant seeds of annuals in the cold frame, now, not in open ground for a week or so. The hostess, Mrs. Paul K. Field, was assisted by Mrs. H. A. Frye, Mrs. C. H. Crane, Mrs. Collier, Mrs. H. P. Moore, Mrs. D. W. Quick, Mrs. F. P. Dunlop, and Mrs. G. N. Gill.

The Hospitality Committee wishes to thank the merchants of Narberth for help in making their recent flower and food sale so marked a success. Especial thanks are due to Master Victor Carson for many services.

This committee will hold its last card party of the season in the Y. M. C. A., at 1 P. M., Tuesday, April 20. A luncheon, followed by cards, all for fifty cents.

CONVENTION IN ARDMORE

A number of local Presbyterians will attend the seventh annual meeting of the Women's Missionary Society of the Philadelphia North Presbytery, which will be held on Thursday, April 22, at the First Presbyterian Church in Ardmore, situated at the junction of Mill Creek road and Montgomery avenue. There will be two sessions—one at 10:45 A. M., and the other at 2 P. M. Box luncheon.

AURORA BOREALIS

About 10 o'clock Wednesday night, many residents of the borough had an opportunity to see a beautiful exhibition of the Northern Lights, which at the same time were playing tag with New England telegraph and phone lines.

Pale silvery green ribbons and bars of light ran from the northern horizon to the apex of the sky, twisted about in fantastic spaces and disappeared. The display lasted for over a half hour with much brilliancy.

Visiting Frenchman Given a Hot Ride on New Narberth Fire Truck

"Monsieur, ca va vite!" Thus did Paul Guillaume, of Paris, France describe his ride last Friday on the newest and largest of Narberth's fire engines.

M. Guillaume, an art connoisseur, made a tour of inspection of the Narberth Fire Department as the guest of Dr. A. C. Barnes, of Merion. Dr. Barnes, who has given liberally of time and money in the upbuilding of the local company, felt that no better example of American fire-fighting methods could be found to show a foreigner.

So, after M. Guillaume had

AFTER FLOATERS

An average of two to four "floaters," travelers with no visible means of support are being picked up daily by the Lower Merion police. Whether their appearance is due to the advent of spring or to the approach of the Sesqui-centennial, police are at a loss to explain, but they are inclined to blame the Sesqui.

The "floaters" are held until the police in their home towns can be communicated with and information secured as to whether they have police records or not. If possessed of clear records they are dismissed. None have yet been caught begging, for which practice they are open to a charge of vagrancy with a sentence of 90 days at the county jail.

R. J. DOTHARD PROMOTED TO IMPORTANT POST

Narberth Man Manager of Pennsy Office Buildings.

Robert J. Dothard, of Wynnewood avenue, has been promoted by the Pennsylvania Railroad to the post of Manager of General Office Buildings. He will be on the staff of Lewis Neilson, secretary of the railroad.

For the past 12 years Mr. Dothard has been in charge of Philadelphia Office Buildings. The new post will put him at the head of the great expansion program in office facilities, a part of the railroad's big plans for the coming years. The office building now under construction near West Philadelphia station will fall under Mr. Dothard's management.

Mr. Dothard has long been active in Narberth civic matters. He resigned a few months ago as vice president of the Narberth School Board. At the present time he is serving as a member of the Recreation Board.

He was born in Philadelphia on November 18, 1876. He was educated in the public and high schools, and was graduated from the School of Industrial Art of the Pennsylvania Museum. He is a member of the National, as well as the Philadelphia Building Owners and Managers' Association, being a director of the latter.

Mr. Dothard succeeded the late Captain M. A. Golden as superintendent of the general office buildings when he was retired from active service under the pension regulations in October, 1914. His railroad career started in February, 1901, as acting foreman of the general office carpenter shop. He was made foreman on the first of the following April and served in that capacity until February, 1913, when he was made assistant superintendent.

LEGION AUXILIARY TO MEET NEXT TUESDAY EVENING

Local Post Planning for Annual Poppy Sale.

The regular monthly meeting of the American Legion Auxiliary of the Harold D. Speakman Post, No. 356, will be held on Tuesday evening, April 20, at the home of Mrs. Nellie B. Smith, 200 South Narberth avenue.

Plans will be made for the poppy sale which has been an annual event in Narberth and it is sincerely hoped the townspeople will buy their poppies from the local women. They are selling only the American poppy, made by the boys who are now invalided in hospitals and the proceeds from the sale will help supply little comforts they might not otherwise have.

COUNCIL PLANS TO SAVE MORE MONEY

Can Repair Streets Cheaper by Doing Work With Own Force.

SCOTT WRITES LETTER

An extension of the plan for Narberth to do its own contracting and so save money, the purchase of three bicycles, and a letter from John R. K. Scott were features at a busy, but not extremely eventful, Council meeting Monday night.

The report of the Highway Committee praised the work of George B. Suplee in saving the borough some \$2000 on the storage building, and recommended that his department, rather than an outside contractor, repair Narberth and Windsor avenues.

It was voted to buy three bicycles for the policemen on duty in the borough. This will be done on the recommendation of the Lower Merion authorities, who feel that the beats in Narberth are much too long to be carefully covered on foot.

A letter was received from John R. K. Scott which is felt to be the opening gun of an attempt to scrap the Narberth zoning ordinance. The letter asked why a permit had been refused to Mrs. T. J. Fleming, Montgomery and Haverford avenues, to install gas tanks and pumps in front of the old blacksmith shop at that point.

The letter was referred to Solicitor Stites. Knowing Mr. Scott's dislike of the whole principle of zoning, the possibility of a Court fight does not seem remote.

Hope that the new lighting standards on Haverford avenue will soon be erected was expressed, when it was learned, in the report of the Lighting Committee, that the Philadelphia Electric Co. had applied for a permit to open Haverford avenue for the conduits. The money was collected for these lights many months ago.

A new light has been installed on Maple avenue, making three, and new ones are promised for Windsor, Sabine and Homewood avenues, where dark spots still exist.

The report of the highway committee follows:

Since the March meeting of Council, the new garage and storage building has been completed and on April 1 permanent occupancy and use of the building began, thereby terminating a monthly rental of \$55, which the borough had previously paid for storing its vehicles and implements. This building provides complete space for all present requirements and extra room for the probable maximum requirements of the borough in the future.

The completion of this building within two months time and entirely up to the physical specifications and requirements at a total cost of \$4848.04 compared with the lowest bid for this work of \$6750, a saving of \$1901.96, amply justifies the decision of Council to reject all bids and to erect this building by borough labor under the supervision of Mr. George B. Suplee, the Street Commissioner. It justifies

D. A. R. MEETS

The regular stated meeting of the Dr. Benjamin Rush Chapter, Daughters of the American Revolution, was held at the home of Mrs. W. R. O'Sullivan Saturday, April 10. Mrs. Samuel Z. Shope, regent, presided.

Several new members were received in the chapter. The following delegates will leave Sunday for Washington, D. C., to attend the thirty-fifth national congress, Daughters of the American Revolution, which is to be held the week of April 19: Mrs. J. R. Aiken, Mrs. Tristan B. duMarais, Mrs. C. Arley Farmer and Mrs. Charles M. Irwin. Our annual luncheon will be held Saturday, May 22, the place to be decided later.

SPECIAL LIBRARY MEETING

A special meeting of the members of the Narberth Community Library Association has been called for next Monday evening, April 19, at 8 o'clock, in the library, Y. M. C. A. building. The purpose of the meeting is to consider and vote on an amendment to the by-laws of the association, which will change the regular monthly meeting time of the board of trustees from the first Monday evening of each month to the second Monday evening.

OPENING DATE OF BUILDING IS SET

New Structure on Playground to Be Dedicated on May 1.

WILL HOUSE LIBRARY.

The Community Building, located on the playground tract, will be ready for formal opening on May 1. The dedication of the new building, which will be an affair of great public interest, is scheduled for 4 P. M.

The new structure will give a permanent home to the Library, Girl Scouts and American Legion. It has been constructed from funds secured by the Board of Directors of the Y. M. C. A. in the sale of the old building to the Merion Title and Trust Company.

The Community Building was erected at a cost of about \$30,000. It is 120 feet in length along Windsor avenue, and 60 feet deep. In the front center is a room 30 by 60 feet which will house the community library. On each side of this, and running back from the road, are two rooms of equal size for the other organizations.

The building will be under the direction of the Recreation Board, and the expenses will be paid partly by the School Board, partly by Council, and the remainder by voluntary contribution and money raised by the organizations making their home there.

A committee was appointed at the March meeting of Council to confer with the Recreation Board regarding the distribution of expense. The committee, composed of Robert F. Wood and Clarence Kaerber, reported as follows:

"We met the members of the Recreation Board on the evening of March 9, in the home of Mr. A. P. Redifer. Colonel Miller, president of the School Board, was present as a member of the Recreation Board, and was able,

OFFICE SEEKERS GIVE PLATFORMS

Assembly Aspirants Speak at Cynwyd's Voters' League Meeting

SKELTON SNIPS A BIT

Three of the four candidates for the post of assemblyman from the first district appeared at the meeting of the Bala-Cynwyd League of Women Voters Tuesday to give their platforms. It was the first public appearance of any since they announced their candidacies.

Two of them were the candidates for the Republican nomination in the primary on May 18, Fred C. Peters, of Ardmore, and Joseph J. Skelton, Jr., of Cynwyd. The other was Edward S. Haws, former Narberth post master, who seeks the Democratic nomination, unopposed. The only absent candidate was Thomas McKernan, of Swedeland, the third aspirant for the Republican nomination.

Both of the candidates of the major party took occasion to compliment the League of Women upon their practice of giving candidates an opportunity to appear before them. It was doubly beneficial, they pointed out, in that it gave the league members a chance to become acquainted with those running for office, and it gave the candidates a chance to know what the wishes of the voters were in the matter of legislation.

Question All Three.

Each candidate was allotted time to speak and then was asked questions. All three were queried as to whether they favored law enforcement, jury duty for women and tax collection reform.

The law enforcement question was particularly to discover the stand of the candidates as to the enforcement of the prohibition laws. The jury duty query was to find whether the candidates were opposed to the bill which would permit women to be excused from jury duty. The league is against this bill because it declares it would permit women to evade a duty which they should

FOR PINCHOT

To the Editor of Our Town:

In your issue of April 10th you report Senator Stites as saying, "I am for Pepper, and Narberth will vote solidly for him."

With all due respect for the Senator and as his friend and admirer, I can say that Narberth will not vote solidly for Pepper. I also believe that Governor Pinchot will receive other votes than ours.

Senator Stites did his duty as he saw it in opposing some of the Pinchot bills before the Legislature; but when he definitely committed himself to the Pepper candidacy before either Pinchot or Vare had announced theirs, he made a bad break for an earnest dry. Senator Pepper compares Vare's wet following with Governor Pinchot's dry following and calls it the "Lunatic Fringe." No ardent dry can vote for a man for Senator who is dry or wet according to majority vote.

F. Millwood Justice and Family.

END OF SCHOOL MAY BE
DELAYED ONE WEEK

Extra Vacation Not an Unmixed Blessing.

After a two weeks' unexpected vacation the pupils of the school have returned to work happy (?) in the thought that the time lost will probably have to be made up in June.

Benjamin Rush Chapter, Daughters of the American Revolution, offers a prize for the best composition written about the Sesquicentennial. The contest is open to all pupils and all papers must be presented not later than May 1. The award will probably be made on Memorial day.

The date for the operetta has been set forward to April 30. This change of date results from the prolonged vacation due to the measles epidemic. Rehearsals will be held daily during the next three weeks.

The fifth school period will end on April 30; report cards will be issued on May 7.

Ella La Boubé, '27, and Max Kirscht, '26, have left school to enter business.

The unexpected vacation period will probably require an extra week of school in June in order to make up time lost.

Editors: George Sjöholm and Eugene Claghorn.

DON'T MISS THIS

An evening of music and drama by the students of Darlington, West Chester, Pa., will be held Thursday evening, April 22, 1926, at 8 P. M., under the auspices of Evangel Circle, King's Daughters, Narberth, Pa. Tickets, are 60 cents.

The program is as follows:

PIANO SOLO—

a) March Grottesque Sluding
(b) Fantasia Olsen

Miss Margaret Hewitt

RECIATION—

"The Travelers' First Hunt."

Richard Harding Davis

Miss Mildred Steiner

VOICE—

Musetta Waltz Song (La Bohème).

Puccini

Heart's Delight Gilchrist

Miss Betty Gray

"Fan and Two Candlesticks."

Mary McMillan

Miss Betty Gray, Miss Elizabeth Carter,

Miss Ellen Mitten

Miss Gladys Sauville, Miss Claire Apis-

dorf, Miss Ellen Mitten

FOLK DANCES—

Miss Jeannette Borrell, Miss Mildred

Steiner, Miss Claire Apisdorf, Miss

Marion Smith, Miss Wilmot Down,

Miss Helen Leschey

PARKING CAMPAIGN

Started by Police in All Parts of Borough.

A vigorous campaign against sloppy parking and careless driving is being waged by Narberth policemen assisted by the magistrates. Among the rules to be enforced are:

No parking within 20 feet of a corner.

No parking within 20 feet of a fireplug.

No parking in front of the fire house.

In addition, watch is being kept to see that the Haverford avenue rules are being followed. Cars must be parked on the north side of the street at an angle of 45 degrees to the curb, with the frontwheels touching the curb. On the south side, where parking is permitted for a few minutes only, cars must be parallel with the curb, and close to it.

Throughout the borough cars must park on the right-hand side of the road, depending on the direction the vehicle is facing. All-night parking is forbidden.

The police are issuing summons, and arrests and fines are being made. Most of the cases are being brought before Magistrates Walzer and Fritsch.

LOWER MERION SWAMPS
TRADE SCHOOL ON TRACK

Captures All First Places in Opening Meet at Ardmore.

Lower Merion High swamped the Williamson Trade School track team on the Lower Merion field in Ardmore, Saturday, by the score of 92 and one-half to 15 and one-half. It galloped off with first place in all of the events and broke one school record.

Captain Egg Morris tossed the shot for a distance of 45' 5" a new record. He also won the discus and took third in the broad jump, which made him the only double winner and the high scorer. Ottey, in winning the mile run, had no trouble and came in fully 100 yards to the good. His time was 4 minutes 57 seconds.

The summary:
100-yard dash—Won by Derry, of Lower Merion; second, Houseman, of Lower Merion; third, Miller, of Williamson Trade. Time—10 4-5 seconds.

220-yard dash—Won by Berry, of Lower Merion; second, Turner, of Lower Merion; third, Moll, of Williamson Trade. Time—24 1-10 sec.

40-yard dash—Won by Smyth, of Lower Merion; second, Berry, of Lower Merion; third, Derry, of Lower Merion. Time—55 sec.

880-yard run—Won by Smyth, of Lower Merion; second, Horst, of Williamson Trade; third, Anderson, of Williamson Trade. Time—2 min. 14 sec.

Mile run—Won by Ottey, of Lower Merion; second, Armstrong, of Williamson Trade; tie for third between Parke, of Lower Merion, and Mac Whorter, of Williamson Trade. Time—4 min. 57 7-10 sec.

220-yard low hurdles—Won by Stewart, of Lower Merion; second, Nelson, of Lower Merion; third, Daule, of Lower Merion. Time—29 5-10 sec.

Discus throw—Won by Morris, of Lower Merion; second, Wilson, of Lower Merion; third, Horst, of Williamson Trade. Distance—109 feet 9 inches.

Shot put—Won by Morris, of Lower Merion; second, Wilson, of Lower Merion; third, Kuen, of Lower Merion. Distance—45 feet 5 inches (New Lower Merion Record).

Pole vault—Won by Kohlhas, of Lower Merion; tie for second, between Rambo, of Lower Merion, and Daule, of Lower Merion. Height—10 feet.

Javelin throw—Won by M. Miller, of Lower Merion; second, Godschall, of Williamson Trade; third, Wilson, of Lower Merion. Distance—136 feet 10 1-2 inches.

High jump—Won by Kuen, of Lower Merion; second, Stewart, of Lower Merion; third, Fry, of Lower Merion. Height—5 feet 3 1-4 inches.

Running broad jump—Won by Houseman, of Lower Merion; second, Scanlon, of Lower Merion; third, Morris, of Lower Merion. Distance 19 feet 10 1-2 inches.

Point score—Lower Merion, 92 1-2; Williamson Trade, 15 1-2.

Seniors are busy preparing for the compulsory historical essay contest held annually at the high school under the supervision of the English and History Departments. On June 12, Commencement night, prizes will be given the winners of this contest by the American Legion Post of Ardmore. Friday, April 23, is the date set for the writing of these essays.

The baseball season opened victoriously when the Maroon and White nine, natty attired, cramped West Catholic's style, 6 to 2, on the home field. Playing good ball for the opening game, Ruddick and Doran held down the Burrs' offensive, scattering their seven hits throughout the nine innings played. Poor fielding and inconsistent hitting caused the city team's defeat.

Marked improvement over last year's nine was evidenced in Coach Fowler's new combination. Odiorne thrilled in the sixth when he clouted a three-bagger with two on.

THE HOME STRETCH

Less Than 10 Per Cent. of Library Quota Yet to Be Raised.

Contributions to the Equipment Fund of the Community Library Association received during the past week were as follows:

Special Contribution
Thimble Club \$5.00
New Five-Year Members
Mrs. C. R. C. Custer 5.00
Edward C. Griswold 5.00
New Yearly Members
Miss Jeanette Gillis 1.00
Mrs. A. Ewald 1.00
Alexander Ewald 1.00
Woolther Ewald 1.00
Previously acknowledged, \$886.25

Total rec'd to date \$905.28
"Moving Day" for the Community Library from the old quarters to the new library home in the new Community Building is drawing near, and persons wishing to contribute to the Equipment Fund, and thus help to give the library furnishings that will be in keeping with the fine new building, could have no more opportune time to make their contributions than right now—this coming week. Checks should be made payable to Thomas C. Trotter, Jr., treasurer, and mailed to Mr. Trotter at his residence, 209 Woodside avenue. The people have been so generous in their contributions that it is hoped the fund will continue to grow so that new library furniture can also be purchased to match the new shelving.

WOMEN VOTERS MEET

Plans Made for County Luncheon Soon.

The meeting of the League of Women Voters of Narberth held Monday afternoon, April 12, was most instructive and helpful to those present.

Mrs. William G. Goodall gave a detailed report of the candidates' luncheon held at the Bellevue-Stratford Hotel, Philadelphia.

Mrs. Herman L. Schwartz, of Wynnewood, addressed the meeting and gave much helpful information with regard to the coming primary election on May 12.

The annual county luncheon will be held at the Whitemarsh Valley Country Club on Thursday, April 29, where the Montgomery county candidates will be in attendance.

Those desiring to attend this luncheon will please advise Mrs. E. C. Batchelor. The price is \$1.25 a plate. Anyone having a machine available for this trip will please report.

SEW FOR HOSPITAL

The Women's Auxiliary of the Narberth Presbyterian Church, held a meeting on Wednesday, April 14. About 40 members were present, who sewed for the Bryn Mawr Hospital and made surgical dressings for the Presbyterian Hospital. Between 500 and 600 dressings are usually completed at one of the meetings, and this week there were 540.

**EVERY WEEK I ADD TO
MY BANK BALANCE**

By following this systematic saving plan, I always have a neat balance to my credit when I need money for some special purpose. A haphazard plan of saving will never accomplish anything, as I found to my sorrow. It is the certain amount every week that counts. Try it once.

HOSPITAL DRIVE

For Million Dollars Planned by Bryn Mawr Trustees.

At a recent meeting of the board of trustees of the Bryn Mawr Hospital it was decided to raise \$1,000,000 through an organized public appeal for the purpose of enlarging, modernizing and equipping the Bryn Mawr Hospital. This sum was decided upon as the minimum with which the necessary expansion program can be started.

The active campaign will be launched during the early part of June. Samuel Rea, former president of the Pennsylvania Railroad, has accepted the chairmanship of the executive committee of the campaign.

Mr. Rea said: "The hospital is no longer considered a luxury, but a necessity. The public is seeking hospital care more and more. The Bryn Mawr Hospital serves the needs of the entire Main Line, with a population of at least 80,000. This rapidly-growing community depends for its local needs on this one hospital."

"Since it was built, in 1893, there has been no substantial increase in its capacity to serve the community."

\$60,000 FOR ROADS

County Commissioners Stout, Crawford and Keeler last week announced the award of county aid to boroughs and townships amounting to \$60,000.

Pennsylvania will spend this year for the construction and maintenance of roads approximately \$68,000,000.

ESTATE OF \$20,000

Left by August H. Mueller, First Narberth Burgess.

In disposing of an estate valued at \$20,000, August H. Mueller, first Burgess of Narberth, who died last week, gives \$500 to his sister, Anna M. Phelps, \$500 to George Cleis, and \$2500 each to these children: Robert A., Marguerite E., Emma Louise and Florentina May.

The widow, Flora I. Mueller, is to receive the proceeds from all life and accident insurance policies and from lodges, absolutely. She is also to receive all personal property and the business of the deceased in Philadelphia, and the interest from all real estate during her life.

The balance of the estate goes to the children. The son, Robert A. Mueller, is named as executor. The will was executed November 10, 1924, and probated in Norristown Saturday.

FIRST REHEARSAL FOR L. M.

The Lower Merion High baseball team suffered its first reversal of the season Wednesday afternoon at Ardmore, when it went down to a 9-8 defeat at the hands of the Penn Frosh nine after a 10-inning battle. Lower Merion had the edge until the seventh inning when Pitcher Doran blew up and the Penn yearlings garnered five runs.

A home run by Jack Miller which drove in two runs evened the count again in the eighth inning. Both sides capped a run each in the ninth, but in the tenth Ruddick, who relieved Doran, yielded another which Lower Merion couldn't make up.

COTTER'S MARKET

CAUSE AND EFFECT

There is never an effect without a cause; the cause may be far removed from the effect, but no matter how remote, it is always a forerunner that may be depended upon to produce results of its kind.

The causes producing the effects of the development of our system of distributing groceries to the consumer and the influences that this system is now wielding and is destined to exert to a still greater degree than ever before has, in a very great measure, been produced by a painstaking effort in a practical way to bring the customer to a realization of the greater economies and more effectual methods in both the buying and the selling ends of our business. We solicit a very careful perusal of our quotations and a very thoughtful and thorough investigation of our methods and aims and our capabilities.

**The TRUTH About
Coal Prices!**

New York coal dealers have announced reductions of 25c to \$1 a ton on anthracite. In view of this "news" we feel that our customers are entitled to know the FACTS concerning comparative coal prices. 2240 POUNDS of anthracite in New York, at the reduced prices, are as follows:

New York Prices

Egg \$16.24 per ton
Stove \$16.52 per ton
Nut \$16.24 per ton
Pea \$12.04 per ton

Compare the foregoing prices with our cash prices quoted below:

Our April Prices

(Chuted in)

Charge Price

Cash Price

EGG	\$15.75	Less 50c a ton off for cash	\$15.25
STOVE	\$16.00	" " " " " "	\$15.50
NUT	\$15.75	" " " " " "	\$15.25
PEA	\$12.00	" " " " " "	\$11.50

In our judgment, coal prices are not likely to be lower at any time this year than they are now. Prices may advance under normal conditions, but if large volume of coal buying is postponed until Fall, prices are sure to advance.

Let us take care of your coal needs. We sell only clean, selected Lehigh Valley anthracite, noted for its long-burning quality. Our service is unexcelled. Charge accounts invited. The cash discount of 50c a ton is available to charge customers who pay in 5 days.

\$124,510.93

V. H. FLECK,
F. R. GIFFORD,
WM. G. BARTLETT,
Auditors.

It was on June 25, 1876, at the Centennial Exposition in Philadelphia, that the amazed acclamation of Emperor Dom Pedro of Brazil first brought Bell's invention to public notice. Now, fifty years later, two out of every five farms in the United States have telephone service.

The telephone has just passed its fiftieth birthday

This half-century of history has been marked by extraordinary progress. The service has been extended into a Bell System of close to seventeen million telephones. Its facility and dependability have reached a height which to the user seems commonplace by very familiarity.

But a review of these fifty years emphasizes *most* the necessity for further progress in pace with the requirements of the future.

In Pennsylvania even the most remote towns have their telephone service, and thousands of lines radiate off through the back-country, bringing it into the universal community which this service creates.

But this was so ten years ago; and, yet, since 1916 the number of telephones has almost doubled.

New users and new uses continuously push this growth forward. New developments of equipment and method make possible a constantly increasing usefulness of the service, despite the magnifying complexity of the great switching system which is the mainspring of it all.

The "pioneer" era of telephony was inspired in its overcoming of great obstacles. But each year calls for new and just as essential pioneering in the growing intricacies of so complex a service mechanism.

NEWS OF THE CHURCHES

Baptist Church of the Evangel.
Robert E. Keighton, minister.
Services for April 18:
9:45 A. M.—Church School.
11:00 A. M.—Morning Worship, Sermon—"Deep Calletth Unto Deep."
7:00 P. M.—Young People's Society.
We are to hear the results of the "Conversation Night" held two weeks ago. It ought to be a great help to us to know just what our youth is thinking about and how they answer some of the important questions of the day.
7:45 P. M.—Evening Worship, Book Sermon—"The Hidden Years." John Oxenham has presented a truly delightful and helpful view of these early years of the life of Jesus about which our Gospels give only a vague suggestion.

The pure fiction, the story is not in the least improbable and makes a decided contribution to our religious imagination.

Wednesday, April 21:
8:00 P. M.—Prayer Service.
We shall, with the use of slides, study the work of our own Publication Society. It is a work of which we are justly proud.

Thursday, April 22:
The Men's Association banquet! Here is the annual event for which we wait!

Every man of our Church and congregation, every man in Narberth is an invited guest.

The speaker is Dr. George Emerson Barnes, pastor of the Overbrook Presbyterian Church.

Friday, April 23:
7:00 P. M.—Boys' Brotherhood.

Methodist Episcopal Church.
Rev. W. Sheridan Dawson, minister.

Sunday, April 18:
9:45 A. M.—Bible School. Hon. Fletcher W. Stites, superintendent.

11:00 A. M.—Morning Worship. Anthem—"I Will Extol Thee," Wilson. Gospel Quartet—"Precious Word," Gabriel.

6:45 P. M.—Epworth League devotional meeting.

7:45 P. M.—Evening Worship. Anthem—"I Will Forgive," Bode. Gospel Quartet—"Fill My Heart," Gabriel.

Wednesday, 8 P. M., Prayer Meeting.

All Saints Church, Wynnewood, Pa.
Rev. Gibson Bell, rector. Rev. Francis A. Gray, assistant.

8:00 A. M.—Holy Communion.
10:00 A. M.—Church School.

11:00 A. M.—Liturgy and Anti-Communion. Sermon by the assistant rector.

Te Deum in B flat, Stainer; Jubilate in B flat, Noble; Anthem—"The Lord is my Shepherd. Clokey (sung a capella.)"

The Presbyterian Church.

Rev. John Van Ness, minister.

Meetings for April 18:
9:30 A. M.—Bible School. All departments. All welcome.

11:00 A. M.—Morning Worship. Dedication of new baptismal font, singing by the Junior Church. Baptism of infants.

6:45 P. M.—Meeting of the Senior Endeavor Society.

7:00 P. M.—Meeting of the Intermediate Endeavor Society.

7:45 P. M.—Evening Worship. Sermon theme: "Where Art Thou?"

The annual congregational meeting will be held next Wednesday evening at 8 o'clock. The financial reports of all boards and organizations of the church will be presented and this will be followed by the election of three trustees.

The beautiful marble baptismal font which is used for the first time tomorrow morning is presented to the church by the children of the Junior Church. The font is of the best "light cloud" marble from Rutland, Vermont, and weighs 520 pounds. After the dedication services tomorrow morning, quite a number of infants will be baptized.

First Church of Christ, Scientist.

Women's Club Building, Ardmore avenue, Ardmore, Pa.

Sunday services, 11 A. M.

Wednesday evening testimonial meeting, 8 o'clock.

Reading room, 19 West Lancaster avenue, open daily 10:30 to 4:30 P. M.

The subject of the Bible lesson sermon for April 18 is: "Doctrine of Atonement."

Holy Trinity Lutheran Church.

Rev. M. E. McLinn, pastor.

9:45 A. M.—Bible School.

11:00 A. M.—Morning Service.

6:45 P. M.—Junior and Senior Luther Leagues.

7:45 P. M.—Evening Service.

Preaching morning and evening by the pastor.

Rev. McLinn has been away for a week for a well deserved rest. Although we missed him from the services last Sunday, we are glad that he had an opportunity to have a change and hope that he has benefited by it.

On Sunday evening last the young people of Narberth held their joint meeting in the Lutheran Church. It was most inspiring to see so large a group of young people gathered together for a religious meeting. The orchestra from the Baptist Church of Bryn Mawr was a decided help in the singing. The choir of the Lutheran Church sang "The Magdalene." Mr. Snow of the Lower Merion Junior High School was the speaker. He chose as his subject, "The Blazed Trail." In it he pointed out to the young people the advantage of higher education. His illustrations were well chosen and his message must have left a deep impression on his audience.

On Friday evening the choir will meet as usual. Under the able direction of Mrs. Barclay, we feel that the choir is doing good work.

On Sunday evening the Luther League will meet at 6:45. A large attendance is urged for both of these meetings.

Save time, save money, read the ads.

COUNCIL TO PAVE STREETS AND BUY THREE BICYCLES

CONTINUED FROM THE FIRST PAGE
also recommendations for a further extension of borough work, usually given to contractors, which will be contained later in this report.

Supplee Praised.

It is the desire of this committee to get into the records of the borough in this place an expression of appreciation of the versatility, organizing and directing ability and good judgment which Mr. Supplee displayed conspicuously in handling this large and entirely additional task which was placed upon him at a time of the year when heavy ash collections and snow storms greatly increased his normal volume of work.

There are four streets which were entitled to be included in the paving program under the 1925 bond issue, and which were not paved last year because petitions were not received from them in time. These are Meeting House lane, Williams avenue, Grove place and the westerly end of Haverford avenue from Essex to Conway. Petitions have been received from Meeting House lane and Williams avenue. These petitions are now in the hands of the borough solicitor for verification of property ownership and front footage.

To Pave Two Streets.

As soon as the borough solicitor reports favorably, your committee proposes to issue notices to the people on those two streets to put in their sidewalks and curbs within 30 days at grades to be provided by the borough engineers and at the end of that time the Ramsdell Construction Company will be instructed to go ahead with the permanent paving in accordance with the terms of the contract for this work which was made with them last year. No petition has been received from Haverford avenue and it is the recommendation of your committee that the improvement of that street be held in abeyance. The Street Commissioner recently took a copy of the petition to one of the residents on Grove place and was told that the people on that street did not wish to have the pavement laid because of the expense which would fall upon them. In the absence of a petition from that street it is the recommendation of your committee that work on it should be indefinitely postponed.

The budget for this year provides for the expenditure of \$5000 for resurfacing Narberth avenue and \$2000 for resurfacing Windsor avenue. It is proposed by your committee to resurface Narberth avenue from the south side of Haverford avenue to the north side of Windsor avenue and from the south side of Woodbine avenue to the south side of Montgomery avenue and to resurface Windsor avenue from the Narbrook drive to Wynnewood road, also to reset the curb on Windsor avenue next to the playground. Estimates which we have received from contractors indicate that the work on Narberth avenue would cost at least \$6800 and the work on Windsor avenue nearly \$3000 which would bring the totals nearly \$3000 in excess of our budget allowance. Your committee therefore recommends that both of these street jobs be undertaken by the Street Commissioner, under the direction of this committee with the understanding that we will not exceed the budget allowance in either instance. As a part of this recommendation we ask authority to buy a mechanical spreader which, when attached to one of our motor trucks, will greatly decrease the time required in the application of top dressings to all streets.

Written prices for road materials have been secured by the Street Commissioner for the current year and are on file in the borough office. In accordance with these prices, your committee recommends purchasing stone from the J. P. Dwyer Quarry Company; slag from the Duquesne Slag Products Company; Buckite from the Philadelphia Slag Company and road oils from the Barber Asphalt Company.

We would like authority to sell the old water wagon and scarifier which are no longer fit for use and any other worn out and useless small pieces of borough equipment which are now cluttering up storage space.

Your committee recommends and requests authority to install at a total cost of not more than \$500 three surface water inlets at the corner of Haverford avenues as the first step in relieving the surface water nuisance and damage which frequently occurs on Haverford avenue from Narberth to Essex avenues.

During the past month President Griswold referred to this committee a letter from the Township Commissioners of Lower Merion asking the borough to pay one-half the cost of installation and maintenance of a traffic light at the intersection of Narberth and Montgomery avenues. The commissioners have reported that the total installation cost would be \$273 and that the maintenance cost would be about \$12 a month. One-half of these costs would be greater than the borough would be justified in expending at that point this year. Your committee asks for authority to discuss this matter further with the Township Commissioners and to report at a later meeting.

During the past month connections with the new sewer have been made by 18 properties on Montgomery avenue, four on Price avenue, three on Williams avenue, seven on Meeting House lane, 18 on Woodbine avenue, and by all the properties, totaling four, on Iona avenue. Your committee has asked the borough solicitor for instructions as to how to proceed in the case of a small group of residents who seem disinclined to comply with orders to connect with the new public sewer because their properties are already connected with a private sewer which they consider satisfactory.

The Street Commissioner reports that during the month of March 124 cubic yards of ashes were collected at a labor cost of \$1000.52. Additional labor items were \$272.53 for street cleaning, and \$38.06 for work on the storage building, making the total labor cost of the month \$1312.

The Fireside

Mr. Elliott Barhard, of Kansas City, Kansas, is the guest of his brother, Boyd T. Bernard, of Avon road, for a few days.

Mrs. William J. Loughlin, of Chestnut avenue, has as her guest this week, her cousin, Miss Burdick.

Mr. H. A. Jacobs, of Essex avenue, has returned from a recent trip to New York.

Mrs. Frederick Lineaweaver, of Cynwyd, formerly Miss Peebles, of Narberth, is spending several days with her sister, Mrs. Ed. Turner, of Pleasantville, New York.

A two-car garage is being built by Messrs. E. A. Muschamp and E. H. Connell, of Woodside avenue.

Commander Charles H. Shaw is spending the week-end with his family.

Mrs. Yvonne McCours, of Bala entertained about 16 guests at bridge and a baby shower for her sister Mrs. Robert M. Town, of Beechwood lane, on Saturday.

Mr. and Mrs. W. E. Boryer and their daughter Shirley will spend the week-end in Washington.

Mr. J. M. Collins, the father of Mrs. Alfred M. Watts, formerly of Chestnut avenue, Narberth, died suddenly on Sunday, in California.

The Women's Missionary Society of the Lutheran Church will hold its monthly meeting at the home of Mrs. Warner, at 523 Dudley avenue, next Tuesday, at 2 P. M.

Mr. W. J. Peebles, of Iona avenue, is in Pittsburgh for the week-end.

Mrs. Charles V. Noel and her mother, Mrs. Charles H. Fletcher, sailed yesterday on the Olympic from New York on a three-months tour of Europe.

The Hospital Committee of the Women's Community Club held the last of its monthly business luncheons at the Central Y. M. C. A., in Philadelphia, on Wednesday, April 14.

Narberth's population has recently been increased by three. Twins, Eleanor and Gloria, have arrived at the home of Mr. and Mrs. Francisco Rossetti, of Hampden avenue. Mr. and Mrs. Hugh McQuiston, of Iona avenue, are being congratulated on the birth of James Alexander McQuiston.

A party and dance for the benefit of the West Philadelphia Hospital will be given on Tuesday, April 27, at the Elks' Home on Broad street.

Mr. and Mrs. George Cook, and their two children, and Mrs. C. L. Jenkins and son Elmer spent the past week-end at Atlantic City.

Mrs. James Tilbury, of Lantwyn lane, entertained her sewing circle at luncheon on Monday.

The Women's Class of the Narberth Presbyterian Church, held a social on Thursday night at the church.

Mr. and Mrs. W. H. Haws spent Wednesday at Atlantic City.

There will be a bake sale at Dando's on April 17 for the Lutheran Church, and a musical at the church on May 7.

Sam Wylie duly celebrated his 63d birthday Thursday. The greater part of the festivities were centered in Elm Hall.

Community Choral.

The Community Choral of Bala-Cynwyd will present a "melange of music, minstrel and make-up" on Tuesday, April 20, in Saint Matthias' Hall. Henry Hotz will conduct the chorus and Mrs. Rev. Daniels will play the accompaniment.

MOVING AND SPRING CLEANING

In the home and in the garden this is the season of the year when everything is on the move, folks and furniture, dust and dirt. Housekeepers are already ransacking the attic, gardeners are now poking among the leaves. Everyone is confidentially shouting to everyone else what is her own particular method of spring cleaning in the house, what is his own particular secret for preventing the ravages of winter in the garden.

Women's clubs make such discussion a feature of their programs, business men display in their windows such items as will appeal to spring fancies. Some groups are authorities on one phase of the subject, some are experts in another, but the library can speak adequately on one and all. Whether it is remodeling furniture, or renovating old houses or planning gardens, either vegetable or flower, there is a book in the library to offer just the right stimulus or aid.

But if moving should be the particular problem of the season, moving, of the "bag and baggage" type, then it will be necessary only to consult the workers in the library themselves who, having been through the ordeal last May as amateurs, are planning to repeat the adventure on May 1 of this year as connoisseurs. Where further help is needed the following books may be consulted: *Redeeming Old Homes*, A. L. Hill. *Practical Book of Oriental Rugs*, Lewis. *A Home of Your Own*, Della T. Lutes. *The Small House*, Mary Northend. *Practical Book of Period Furniture*, Eberlein. *Boxwood Gardens*, Albert Lewis. *Four Seasons in a Garden*, Eben Rexford. *Joyous Art of Gardening*, Frances Duncan. *The Little Garden*, Mrs. Frances King. *Big Crops from Little Gardens*, A. B. Ross. *Suburban Garden Guide*, Parker Barnes. *American Rose Annual*, Horace McFarland.

COMMUNITY BUILDING TO BE OPENED IN TWO WEEKS

CONTINUED FROM THE FIRST PAGE

of course, to explain the point of view of the School Board in this connection. It is his opinion that the School Board is under no legal or moral obligation to assume any of this expense such as might strictly be of an educational and recreational character. He questions whether the School Board would have a legal right to appropriate its funds for other purposes. The School Board proposes to provide recreational equipment and instructors for the summer uses of the playground.

"As the Community Building and the playground itself are Borough property, it is necessary for the Borough to assume all expenses in connection therewith which will not be met by the School Board or by the voluntary contributions of money and services by private organizations which may use the grounds and buildings. It is therefore the recommendation of your special committee that the Borough should accept this responsibility and that, using this year's experience as a basis, definite provisions for this expense must be made when the 1927 budget is prepared and definitely assigned to a regular or special committee of Council for permanent supervision and responsibility.

PENROSE HANNUM

Penrose Hannum, 71 years of age, died Monday at his home, 316 Iona avenue, from heart disease.

He was born in Delaware county and was a Narberth resident for many years, having been employed as a mechanic at the Autocar plant, Ardmore.

He is survived by his wife and three children. Funeral services were held Wednesday. Burial was at the Lower Merion Baptist Cemetery.

TO ASK BIDS

The date will soon be set for receiving of bids for the bridge to be built at Green lane to connect Manayunk with West Manayunk. The cost will be approximately \$600,000 to be divided equally between Philadelphia and Montgomery county under an agreement entered into with the commissioners of the county. The bridge will replace the present inadequate span, and is expected to do much toward opening up to development a new section on the west bank of the river.

GAVE PLATFORM

BACHRACH

Fred C. Peters, organization candidate for Assembly who spoke at a meeting of the Cynwyd branch League of Women Voters Tuesday. He is a graduate of the Massachusetts Agricultural College at Amherst and was a second lieutenant in the 320th Field Artillery, Second Division in France. He saw service at St. Mihiel and Argonne Forest.

ASSEMBLY CANDIDATES GIVE THEIR PLATFORMS

CONTINUED FROM THE FIRST PAGE

perform as good citizens.

"Every assemblyman is required to take an oath to support the laws of the State. I think that answers the question about law enforcement," said Mr. Peters, in reply to that question.

"I do feel that women should do their duty as citizens," he continued, "and I am not in favor of a bill which would excuse them from jury duty."

"As for other bills that I might be in doubt as to the stand which I should take, if elected, I should like to appear before meetings such as this of the league, and find out what the wishes of the voters might be. I approve of the idea and I would like to see it develop into the New England old-fashioned town meeting where voters and their representatives can get together and find out just what is wanted."

Mr. Skelton, who is committee-man for Cynwyd, and former township treasurer, called the attention of his auditors to the fact that he had also had a bit of training in the political arena at Harrisburg. He served two terms as clerk to the Senate.

The law enforcement question put to him, he admitted frankly that he personally favored moderation, but declared that if elected, he would favor the strict enforcement not only of the prohibition laws, but also of the automobile and tax laws.

"As for the Ludlow tax bill," he said in reply to another question, "should another bill like that be introduced I would vote against it. The Ludlow bill was too blanket—too large in its scope."

Replying to still another question he announced that he would continue his fight for the extra \$25,000 in back fees as treasurer, for which he recently put in claim with the township commissioners. "I believe it is coming to me," he stated. "The law declares that the treasurer is entitled to one per cent. on that money."

Running as a free lance for the Republican nomination, Mr. Skelton took occasion to attack the Lower Merion organization, which has endorsed and is backing Candidate Peters.

He also took a dig at the assessing system in Lower Merion. "It is absolutely wrong," he said. "It is a system under which money is collected so late in the year that the township has to pay large sums in interest for money which it must borrow early in the year to carry along on. It should and can be revised."

Democratic Candidate Haws declared that he was in favor of strict enforcement of the prohibition laws, and that if another Ludlow tax reform bill appeared, he would vote for it. He also stated he was against any movement which would allow women to evade jury duty.

Early in the meeting, Miss Suzanne Yocum outlined the pros and cons of the agricultural legislation now before Congress.

The next, and last, concert by the Main Line Orchestra Association will be on May 16. On that date the orchestra will present its third concert of the season. Anne Pritchard, an exceptionally talented young pianist of 16 will be the soloist, playing the first movement of the Grieg Concerto with orchestra.

WHAT A NIGHT!

Dashing rain, flash of vivid fire that splits the darkness with tumultuous roar, is the kind of a night we don't want next Thursday, April 22, at 8 o'clock, when the Good Fellowship Club will have its final general meet for the season, in the Methodist Church.

The club has been very fortunate in securing for its principal speaker the Rev. Dr. Arthur C. James, pastor of St. Andrew's M. E. Church, Forty-fifth and Walnut streets, Philadelphia. Dr. James, who is in general demand for addresses to men, has adjusted other arrangements previously made for the month in order to comply with the request that he be the speaker at this final meeting. Dr. James shines most brilliantly in addressing men's organizations, and those who have heard him will be interested in getting out their friends to hear him again. The subject is "The Supreme Challenge."

Senator Fletcher W. Stites will be another attractive speaker on the program, and a double male quartette will round out the program as a successful conclusion to the winter's efforts.

These meetings are stimulating a closer acquaintance and bond of fellowship among the men of the community irrespective of any denominational lines. They have been well attended in the past, and this meeting is expected to surpass any previous meeting in point of attendance and character of program.

The purpose of this announcement is to reach every man in Narberth and vicinity with a cordial invitation to attend.

P. S.—The club never closes without a general social period seasoned with the products of the Commissary Department.

TO WASHINGTON

The Boy Scouts of Montgomery and Delaware counties are getting ready for their trip to Washington at the end of April. One group will stay from Friday, April 30 till Sunday, May 2, while the other will go down on Saturday just for the day. While they are in the national capital the boys will see the city from busses and will meet the President. A number of Narberth boys are planning to go.

S. S. BODY MEETS

An enthusiastic meeting of Lower Merion District No. 11, Montgomery County Sabbath School Association, was held on Tuesday evening in the Narberth Presbyterian Church at which the 55 persons attending, representing nine of the 30 schools in the district, formed a district Sunday School organization.

After the meeting was opened the Nominating Committee announced the following officers, who were subsequently elected: President, E. U. Smith, Narberth Presbyterian; first vice-president, W. C. Wagner, Ardmore Methodist; second vice-president, J. C. Van Newkirk, Narberth Lutheran; secretary, A. K. LeFevre, Narberth Methodist, and treasurer, Daniel Leitch, Wynne-wood Episcopal. After the election, Dr. Van Ness made the installation.

Mrs. Laura W. Buckman, field worker for the Montgomery County Sunday School Association, brought the greetings of the association, and Mr. H. C. Cridland, representing the adult division of the Pennsylvania State Sunday School Association, spoke briefly on the work of the adult classes.

NO. 245

AN ORDINANCE

Prohibiting the deposit on any sidewalk or street within the borough of Narberth of rubbish, garbage, tree, lawn or hedge trimmings, sweepings, or other offensive material and pro-penalty for the violation thereof.

The Council of the borough of Narberth does ordain:

Section 1. That from and after the passing of this ordinance, it shall be unlawful for any property owner, agent, tenant or other person to place upon or permit to remain upon any sidewalk or street within the borough any rubbish, garbage, tree, lawn or hedge trimmings, sweepings or other offensive material.

Section 2. Any violation of any part of this ordinance shall be considered a misdemeanor, and the offender, upon conviction before the Burgess or any justice of the peace or magistrate, shall be fined a sum not exceeding twenty-five dollars (\$25.00), which is to be paid to the borough Treasurer.

Section 3. All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed.

Passed this eighth day of March A. D. 1926,

E. C. GRISWOLD,
President of Council.

Attest:
CHARLES V. NOEL,

Secretary.

Approved this eighth day of March, 1926.

HENRY A. FRYE,
Chief Burgess.

WYNNEWOOD SCOUTS

Are Now An Honor Troop—Have Own Museum.

The Wynnewood Scouts are particularly active at this time in making models of all kinds of articles pertaining to woodcraft. Log cabins, lean-to's and shelters of various kinds are occupying their attention at the present time.

At the recent regional inspection, this troop was made an honor troop for the district, winning by a big margin over several of their competitors. The directors from Philadelphia, who made the inspection, expressed themselves as being very well pleased with the progress shown by the boys.

In addition to the various models made by the boys, they have in their museum an interesting collection of minerals, birds' nests and other similar articles. They have been asked to enter their collection in the scouting exhibit at the sesqui.
